#### Apsara Community Event

APSARA celebrated American Independence Day at the AmCham California Party on 30 June. The hot weather did little to dampen the "California Dreamin" spirit of the day! Adults and children alike enjoyed the new adornment of an APSARA henna body painting.

We continue to sponsor the Expatriate Professional Women's Society's (EPWS) "Think Tank Session" in conjunction with BritCham. The lady with the most thought provoking question won a voucher for an APSARA manicure.
