## Using this book

In cases where addresses and contact information on any venue is not immediately available in the main text or adjacent margin, the Venue Index (562-97) should help you to find what you are looking for. This index provides a comprehensive list of addresses, contact details and Chinese names for all relevant venues, as well as page numbers for all references within the book. For additional reviews and commentary check our website at [www.urbanatomy.com](http://www.urbanatomy.com), where regularly updated supplementary material can be found.

For visitors who think local expertise is worth paying for, but are unsure where to find it, Jonathan Hasson and Spencer Dodington have founded Luxury Concierge China, offering bespoke itinerary, private guided experience, personalized concierge services, travel consultancy and special event organization, guaranteeing an introduction to Shanghai that cuts no corners. Hasson and Dodington draw upon a combined 20 years of Shanghai immersion, covering the entire territory of knowledge and competence from language and architecture to cuisine and connections, tailored to clients seeking "the ultimate Shanghai experience." In a climate where hype can come cheap, this certainly doesn't, but then it originates from a duo with the background and reputation to make their promise credible.
